

SOUTH WORLD WINE SOCIETY

August / September 2002

Our new season for South World Wines is about to begin! We have a wonderful line-up of amazing wines, special tasting events and knowledgeable speakers to further our mission of fostering the understanding and appreciation of wines from the Southern Hemisphere countries of Argentina, Australia, Chile, New Zealand, and South Africa. Check out the details below for our September event and also pencil into your calendar the dates for the other great tastings planned throughout this coming year.

Can't manage a visit to Chile? Well, here is your chance to taste the wines from Chilean winery - Viña Errazuriz at our Sept. 24, 2002 tasting at Seasons Restaurant (see next page).

South World Wine Society launches new website: www.southworldwine.com

We have been busy over the last few months designing a website and assembling content that will pique your interest in our Society and give you details on the upcoming tastings; news about the wine regions, wineries and events; tell you about wine favorites from previous SWWS tastings and more. Now you can register on-line for SWWS events, although we still require payment by cheque in the mail! Many thanks to Frank Leffelaar on the SWWS Executive who led the website project and Brad Newman, a friend of the Society, who designed our beautiful new site. Check it out. Please pass this website link on to friends!

Based in Vancouver, Canada, the SWWS is an independent, non-profit club that aims to promote the knowledge and enjoyment of the Southern Hemisphere's wines.
